

OUTLINE OF NPDES RULES

<u>CH #</u>	<u>SUBJECT MATTER</u>	<u>40 CFR</u>	<u>PAGES</u>
520	Definitions		
1	References	---	1
2	Definitions	122.2 et. al	1
521	Applications for Licenses		
1	References and definitions	---	1
2	Applicability of Chapter	---	1
3	Application required	124.2	1
4	Contents of application	122.21	1
5	Signatories	122.22	14
6	Concentrated animal feeding operations	122.23	16
7	Concentrated aquatic animal facilities	122.24	17
8	Aqua culture projects	122.25	17
9	Storm water discharges	122.26	17
10	Silviculture	122.27	32
522	Application Processing Procedures		
1	References and definitions	---	1
2	Applicability of Chapter 2	---	1
3	Specialized definitions	124.3	1
4	Modification, revocation and reissuance or termination	124.5	1
5	Draft permits	124.6	2
6	Fact sheets	124.8	3
7	Additional information in fact sheets	124.56	3
8	Public notices of permit actions and public comment	124.10	4
9	Public comments and requests for public hearings	124.11	6
10	Public notice for thermal discharge variances	124.57	7
11	Public hearings	124.12	7
12	Response to comments	124.17	7
13	Decisions on variances	124.62	7
523	Permit Conditions		
1	References and definitions	---	1
2	General	122.41	1
3	Specific sector permit conditions	122.42	7
4	Other conditions	122.43	8
5	Establishing limitations, standards and conditions	122.44	9
6	Calculating permit conditions	122.45	16
7	Schedule of compliance	122.47(a)	20
8	Monitoring	122.48	21
9	Alternative effluent disposal	122.50	21
10	Conditions requested by government agencies	124.59	22

524	Criteria and Standards		
	1	References and definitions	---
	2	Imposing technology based treatment	125.3
*	3	Criteria for aqua culture projects	125 B
*	4	Criteria and standards for fundamentally different	125 D
*	5	Criteria for determining limits under 316(a)	125 H
*	6	Criteria for BMP's under 304(e)	125 K
525	Effluent Guidelines and Standards		
	1	References and definitions	---
*	2	Toxic pollutants	129
*	3	Secondary treatment	133
*	4	General provisions	401
	5	Industry-specific effluent limits (incorporated by reference)	405 - 471
526	[reserved]		
527	[reserved]		
528	Pretreatment		
	1	References and definitions	---
	2	Purpose and applicability	403.1
	3	Objective of general pretreatment regulations	403.2
	4	Definitions	403.3
	5	State and local law	403.4
	6	National pretreatment standards: Prohibited discharges	403.5
	7	National pretreatment standards: Categorical standards	403.6
	8	Removal credits	403.7
	9	Program development and implementation by POTW	403.8
	10	POTW programs: Submission for approval	403.9
	11	Approval procedures for POTW programs	403.11
	12	Reporting requirements for POTWs and industrial users	403.12
	13	Variance from categorical standards	403.13
	14	Confidentiality	403.14
	15	Net/gross calculation	403.15
	16	Upset provision	403.16
	17	Bypass	403.17
	18	Modification of POTW pretreatment programs	403.18
529	General Permits		
	1	References and definitions	---
	2	Issuance of permits	122.28
	3	General conditions	---
